PREPARE YE THE WAY

For those of you who attended the receptions and haven't returned your Letter of Intent, your gifts are still needed! Part of the criteria the Diocese uses to give us approval to move forward comes from the level of commitment we have from our parish families. It is essential for us to demonstrate to the Diocese that we will be able to service the debt on the land as well as pay off the construction costs in a timely fashion. While contributions to the building fund are wonderful, without a Letter of Intent on file, we don't have an accurate picture to share with the Diocese as to the level of Involvement, Financial Participation, and Prayer our parish is committed to provide.
